

Satao Elerai camp is located in a quiet, unspoilt, unique setting on a 5000 acres private conservation area 12kms south east of Amboseli National Park at the foot of Africa's Largest Mountain Mt Kilimanjaro. The camp looks down onto the Amboseli National Park in one direction and up to Mt Kilimanjaro in the other direction, giving clients what is arguably the best location of any camp in Amboseli.

The camp has 9 luxury en-suite mountain facing tents and 5 large luxurious lodge style suites. Both the tents and the suites are en-suite with the suites also having luxurious baths. The facilities are supplied with hot running water provided by eco friendly solar units. Large sliding doors open out onto your own private verandah overlooking the plains below the Amboseli National Park.
