

Kamp David lies on Nairobi Mombasa Highway, midway in between and has a Makuti club and private cottages secluded in the background. It is in the Gate way of Chyulu Hills National Park at Makindu. It is nearly 200 metres from the District Headquarters and the airstrip is only 100 metres from the Kamp. You can easily travel by air, road and railway. You will meet friendly people in Kambaland. www.crocodileracers.com
