Accommodation

Newly renovated, the new Makuti is a budget travellers hotel with very spacious self-contained rooms spread out in a beautiful mature tropical garden.

Makuti villas is of a simple modern architecture with original African designs. All the rooms are palm leaf thatched hence the name 'Makuti'. The 36 rooms are all standard with ceiling fans, well ventilated and have a capacity of 72 persons.

The floors are well polished galana (river stones) sheets that brings a real feel of nature. Each room has a verandah overlooking the magnificent tropical garden, which captures the cool breeze from the sea. The main restaurant is very simple and yet unique. The roofing and colour scheme spread out the mood of being at a place full of luxury and life around. www.crocodileracers.com

Each room has a fan and mosquito net. A large well maintained pool is positioned in the middle of the gardens.
