

Mdoroni House Kilifi

Two exceptionally beautiful houses, Pehoni and Behewa, built in a Swahili style on a superb site with commanding panoramic views up and down the creek and out to sea. The houses share a swimming pool, located between them and are ideally suited to extended families or large groups that like to holiday together. The houses, with their open first floor terraces are not suitable for very young children unless they are supervised

Mdoroni House Kilifi

Pehoni means "cooled by sea breezes" and Behewa means "inner courtyard" in old Swahili.

- Sleeps 19 in total but each house can be rented separately out of peak season
- Special rates available for couples and small families (ask for details)
- Pehoni has 2 doubles, 1 twin and 1 triple, all en suite, with fans
- Behewa has 4 doubles en suite, with fans, and adjacent space for 2 children's beds

upstairs

- Each house has a roof terrace for sundowners
- No TV/DSTV
- Music system in Pehoni for use with personal ipod
- WiMAX WIFI serves both houses. Free unlimited Internet access
- Document safes in both houses
- Swimming pool with large al fresco dining table
- Standby automatic generator
- Security alarm buttons installed; remote button with the staff
- Staff – cook, housekeeper, maids, gardeners, night watchmen
- Staff live on the property
- Resident dog on the property therefore no pets allowed
- Plentiful water storage
- 3 kms from Kilifi town

Mdoroni which means "the place of sweet water" in Giriama is tucked into a gentle curve at the mouth of Kilifi Creek on the south side, at a point known as Ras Kitoka. The property has two fully furnished and equipped four-bedroom houses, both thatched in the local traditional palm "Makuti" with a pristine swimming pool in between and surrounded by mature trees and tropical

gardens. The Houses are called Pehoni - meaning cooled by sea breezes and Behewa - meaning inner courtyard in old Swahili.www.crocodileracers.com
