

Behewa House Mdoroni

This Arab style house is designed around a central courtyard. The downstairs is furnished for living and dining with a young palm and fern garden in the courtyard "behewa". The house has an airy and cool atmosphere as part of the courtyard is open to the sky. Simply decorated in white paint with some Mirella Ricciardi Lithographs and Indian embroideries hung on the walls. The furniture is mostly Swahili and Indian. All pillows and 100% cotton bed linen/ towels are provided.

Living Area

The living area has two sofas and a convivial arrangement of Indian chairs. The dining table comfortably seats 8 with a max. of 10 people.

Kitchen

The Kitchen, run by Kahindi, is at the back of the house; Kahindi has been a coast chef for many years, working with Raphael they produce delicious coastal fish, salads, curries and some Italian dishes.

Bedroom

The house sleeps up to 10. Downstairs either side of the courtyard are two bedrooms, each with a 6'6" bed and mosquito nets. One bedroom has a full bathroom ensuite and the other a full shower room ensuite; each bedroom has double doors onto the terrace outside. www.crocodileracers.com

Upstairs there are two more master bedrooms, one with a small balcony overlooking the creek

and each with large four-poster Swahili double beds and mosquito nets. Behind the master bedrooms are smaller dressing rooms with a single bed for a child. Each Master bedroom has it's own shower room, with basin and loo.

First Floor Terrace

In front of the upstairs bedrooms there is a spacious uncovered terrace, furnished with dhow wood sofas, two armchairs and a table. A shade can be erected here if desired.
