

Sundowner House Kilifi

Built in Arab style with Swahili furniture, Sundowner is located on the North side of Kilifi Creek. The location, on top of a small hill ensures cooling breezes throughout the year. The house boasts spectacular views of Kilifi Creek and magnificent sunsets.

Accommodation & Room Types

The house has 4 bedrooms (Bedroom 1-2 Double beds, Bedroom 3-4 – Twins beds). The house also offers a lovely infinity swimming pool together with a jacuzzi pool. The house is built on two floors, the ground floor offering a large covered verandah with great views overlooking the creek and an upstairs open verandah. www.crocodileracers.com

Dining & Staff

Fully equipped kitchen (cutlery, crockery, cooking utensils, fridge, cooker and freezer) for self catering.

A separate dining and living room, ground floor and first floor verandahs for magnificent views. The house is not connected to the main electricity. Power is obtained from a 10KVA generator, a 1KVA wind generator and 8x200Ah batteries. There is a 300 litre solar hot water heater.

Cook, house man and guard is provided.
