

Isecheno Blue Shouldered Guest house

Isecheno Blue Shouldered Guest house is located in Isecheno village close to Isecheno Forest Station in the Southern part of Kakamega rain forest. The guest house is owned by one of the community member who is trying to promote Eco-tourism around Kakamega rainforest.

One cottage can accommodate 5 people and there is one big banda which can accommodate 10 people. Camping it is in the same place if you have your own tents. There is Meals on request and you book ally so that they can serve the meals on time.www.crocodileracers.com

FOREST NATURE WALKS This guest house is not in the forest; when going on a walk the entrance must be paid to Kenya Forest Services (KFS) . There are alot of trail in the rainforest, these is not an open savanna like masai mara. The forest is dense and there is no signs, It is advisable to take a local guide to take you to the rainforest.
