

Ufanisi Resort has a long standing tradition of excellence since its inception from the beginning. Our main theme is the country style hotel. From the time you enter the hotel, you get the sensation that you are out in the country away from the city.

A peaceful serene atmosphere engulfs on your in, and whisks you away from the hustle and bustle of the city. Our courteous professional staff will avail themselves to help you wind down and make your stay as pleasant as possible. Just as it is a tradition in Kenya to welcome guests no matter where you are from; you will find our hospitality as explicable.

We believed and still believe that it is possible to combine modern standards of luxury and opulence with cultural heritage in order to fuse and evolve a guest facility of the highest quality.
