

Bomen Hotel Isiolo Kenya deep in the arid North Country of Kenya; situated along the Great North Road at the heart of Isiolo town lies Bomen hotel one of Kenya's pioneer hotel with a wealth of history, impeccable services and hospitality. The hotel borrows its name from the large accacia tree which stands within its compound – which used to be a cattle shed (Boma).

Bomen Hotel offers a unique experience that extends beyond game drives in the surrounding Game reserves. It is located in a serene environment of Isiolo town and offers an exclusive touch in service.

Apart from Isiolo being a tourist attraction town, and a stop-over for travellers heading to the Northern Frontier Districts, the town will soon boast of an International Airport which is under construction and is soon to host a Resort City.

The services are fairly priced and will leave you with lasting memories of the hotel. Bomen offers the best accommodation, designed for the discerning business and leisure traveller who appreciates simplified elegance combined with the practicality of the latest features, as well as value for money.

The hotel has always been a favourite destination for the business executive, civil society groups, researchers, budget clients and the discerning local and International holiday makers.

Bomen Hotel is one of the first hotels in Northern frontier region with 47 rooms, including suites. It is extremely convenient for the activities of business persons, trainers and travellers. www.codileracers.com
