

Maralal Safari Lodge Laikipia is set in Maralal Game Sanctuary, approximately 350 km North of Nairobi. Nestled further north of Maralal town, the 250 sq kms Sanctuary is set amidst the majestic Ol Doinyo Lenkiyo mountains in north-central Kenya around Samburu town. The Maralal National Reserve is one of Kenya's little known treasures, with beautiful landscapes, a wide assortment of wildlife, and the best place from where to experience the Annual Camel Derby.

Much of the wildlife can be seen from the comfortable terrace of The Maralal Safari Lodge overlooking a small waterhole; the only permanent water source in the sanctuary.

The Lodge is easily accessible by air from almost anywhere in Kenya to a landing strip used by the lodge. By road travel from Nyahururu along the C77 road, Isiolo along the A2, C79 and C78, or from the south-west at Lake Baringo along the eastbound C78. www.crocodileracers.com
