

Wileli House is a wilderness sanctuary where intimate encounters and rare discoveries can be experienced firsthand. Observe the fascinating African wildlife, as herds of majestic gentle giraffe and buffalo meander through the Acacia forests, or bloats of hippo graze under the moonlight.

The scenic beauty of this Ramsar site, the colourful presence of over 200 species of birds, from majestic fish eagles to tiny malachite kingfishers present a unique attraction for you to enjoy.

Accommodation

Wileli House has two types of suites;

Single room Chalet, (Rock, Cliff & Bridge) which are all en-suite and have a private balcony that has a heated Jacuzzi.

Cottage Chalets, (Hippo & Dik Dik) which are large Two (2) bedroom, both en-suite; with a kitchen, Lounge area and outdoor veranda.www.crocodileracers.com

They are dedicated to surpassing your expectations and making your stay, the most memorable ever.

Dining

A great meal is an emotional experience. Wileli House tries to make it an extraordinary one by creating a beautiful place, one filled with staff who care about it as they do their own home. Thier chefs are obsessive about the culinary details and fundamental techniques that are the foundation of an exciting culinary imagination, and a kitchen that delivers the very best products

to the table.
