

From its panoramic perch above Lake Naivasha, the **Great Rift Valley Lodge** enjoys one of humankind's oldest views – over the sweeping floor of the world's largest valley.

Location An hour and a half's drive or a 30-minute flight from Nairobi (24 kilometres from Naivasha town and 12 off the Nairobi-Nakuru highway), the Lodge is built on the Eburru, a mountain that the Maasai call Ol Donyo Oporru, meaning mountain of smoke.

The lodge sits at about 7,000 feet, from which elevation it enjoys magnificent views to the west and east. The vistas stretch from the sparkling waters of Lake Naivasha to the jagged volcanic crater of Mount Longonot and, beyond, the sloping shoulders of the Aberdare Mountains – Kenya's most important watershed.
