

Oasis Lodge Loyangalani is nestled amongst the Doum Palms in the semi desert of northern Kenya near Lake Turkana presents a very special opportunity for a unique safari catering to the more adventurous clients who want to see the Kenya that few have seen. Recently renovated, Lake Turkana Oasis Lodge hosts two lovely pools fed by natural hot springs. After one of the activities available, visitors enjoy the relaxing atmosphere in the shade of the doum palms, a cool drink at the famous bar or just swimming in the pool.

Oasis Lodge is well-known for its excellent cuisine. The Jade Sea, as Lake Turkana is also called is a remarkable fishing ground of Tilapia and Nile Perch. Albert our chef prepares tasty meals from the daily catch. Fresh foods including meat and vegetables are flown in as required and the Lodge has modern refrigeration facilities.
