

Impala EcoLodge is nestled on the shores of Lake Victoria, within the grounds of the lush and protected ecosystem of the Kisumu Impala Sanctuary. Within easy reach of major air, road and rail networks, Impala EcoLodge remains reassuringly secluded from the madding crowd, making it the perfect getaway.

Standard Rooms

Choose from any of our two standard eco-friendly cottages rooms with exquisite furnishing and featuring a private balcony facing the magnificent Lake Victoria. Wi-Fi, satellite TV and a 42' Flat LCD TV with a DVD player are available in all rooms. We also provide rooms with wheelchair access.www.crocodileracers.com

Luxurious Rooms

From a choice of six tastefully furnished cottages, the luxurious rooms are our premier suites, ideal for honeymoons, special occasions, or if you just want to spoil yourself. These rooms feature a private lounge, a dressing room and greater balcony access to the magnificent Lake Victoria. A true feeling of nature awaits you as the graceful Impala's and Zebras stride past and around the rooms against the breathtaking scenery of the park.

Family Rooms

Spacious and comfortable, chose from two of our Premier Family Rooms. Large enough to sleep your family of up to six in style. All rooms have a glorious private balcony, with plum chairs , private safe, mini bar, large bathroom and landing to the adjacent children's cottage. In our Family Room you'll enjoy all the facilities and amenities of a truly glorious five-star Eco lodge with the atmosphere and ease of your own home.www.crocodileracers.com

Restaurant & Bar

In the Impala Eco kitchens, we've got a motto, "Whatever you do, do it well". So whether you fancy a quick bite, a light lunch or a full-fledged supper, you can order secure in the knowledge that whatever we serve up will be a gastronomic experience of the utmost delectation and delight. Or, put it another way ECO good food.

Impala Park Fees

As we are located within a National Park
