For nature lovers, see the indigenous, evergreen Dunga wet lands which have been spared the destruction from human activity. Walk on the sandy beaches of the bird sanctuary while watching different species of birds in their natural breeding habitat.

At **Kiboko Bay Resort**, visitors can visit the fishing village and watch how traditional fishing is carried out by local fishermen on the lake. Set foot on Ndere Island National Park and track to the top of the hill for a magnificent view of the Winam Gulf.

One can take a boat ride and see the beautiful shores and Islands of Lake Victoria. Visit the pier and watch the ships dock and have a view of Kisumu City as a whole. Treat oneself to a picnic lunch on the island of your choice.
