

Jaha House Shela Village features a swimming pool (4 x 5 mtr with depth of 2,50 mtr) equipped with a counter-current-jet, spacious pool-deck with lounging beds. The walls of this beautiful space are decorated with the beautiful Swahili wall niches and alcoves known as vidaka.

The views to Lamu channel and the mangroves of Manda Island are gorgeous, the sunrises and sunsets from the roof terrace are un-missable and the ambience of the house will ease your mind and feed your soul.www.crocodileracers.com

Accommodation & Room Types

Mezzanine

One bedroom with ensuite bathroom.

First floor

Three bedrooms, each with ensuite bathroom. Elegantly decorated with Swahili stucco, dressing tables and reading lights.

All bathrooms have flush toilets and hot showers finished in Swahili style adapted for European living.

All bedrooms provided with mosquito nets and stylish ceiling fans.

Pool deck, 2nd floor lounge and rooftop are equipped with ipod stations.

Dining & Staff

A lovely gourmet kitchen, equipped to a semi-professional standard where guests with a culinary leaning can supplement the menu with their own creations if they wish or simply mix cocktails to accompany the wonderful food prepared by the staff allowing guests to entertain their friends in total privacy.
