Amber House

Two of the rooms are king size beds and the third bedroom has three large single beds. There is also a rooftop bed with mosquito net. All in all the house comfortably sleeps 6-8 people.

Whether you want to immerse yourself in the tranquility of the courtyard, plunge into the pool or laze on the rooftop terrace with its spectacular view over the Old Town to the water, you deserve this authentic Lamu experience

Dining & Staff

Our excellent resident chef Mohamed comes highly recommended. Mohamed not only uses fresh produce available on the day but he makes meals that will suit everyone. Traditional Coastal Swahili dishes are Mohamed's speciality, indulge yourself in Zanzibar fish soup, Ginger Crab and fish curry, with fresh coconut. We advise you to bring your own preferred wine, but there is a wine store in town, and a bar at the nearby Lamu House hotel. www.crocodileracers.com
