Habibti House, Shela Village

Its magnificent rooftop, where you stay under shady Makuti shelters, overviews all blooming gardens down to Lamu creek, the sailing dhows and the mangroves of Manda Island. There is always a cool breeze in the house and every floor provides many ritzy spaces as comfortable Swahili beds to daydream under the open sky.

Accommodation & Room Types

Apartments

One on the second floor accommodates one spacious appartement with an elegant en-suite-bathroom, a private loggia-terrace overlooking a picturesque part of Shela village, with lot's of palm trees and bougainvillas bringing the exotic ambience. And one on the roof top with a roof terrace.www.crocodileracers.com
