

**Joysvilla Guest House** is a home away from home charming House of recent construction in a newly formed residential area in the vicinity of Malindi airport Kenya. Five minutes drive, and why not, with the classic Tuk tuk, also from the town center. The Villa, completely fenced, host an old species of baobab that was anciently used by the local people as meeting place for the various ceremonies of the time.

In the recent past, the inhabitant of the area could gather around for a drink as well as chat.
