

Enkewa Mara Camp Masai Mara

The camp lays in the midst of well protected valley at the foot of Kalema Mountain with views of the Masai Mara and the Sienna Savanna.

Some of the great features of the camp is that it is an Eco-friendly camp: waste management, use of solar energy, ecological vegetation garden and no use of pumps or generator.

Accommodation

They provide only a limited number of tents so as to give a quality accommodation to the clients. The tents can be double/triple with shower and complete en-suite bathroom. www.croco-dileracers.com
