

Basecamp Dorobo Fly Camp in Mara Naboisho Conservancy is the place from where real quest unfold. Maasai humming around the campfire at night. Stories being told after a day of walking the wilds of Africa. A place where you are more than a guest, you become a friend. Our ten tents are secluded on private Maasai land just outside the park. With our fully equipped bush bar and three-course dinner, you will enjoy the unmatched luxury of simplicity. We take pride in offering probably the best walking safaris in Kenya. Spend a night or two at Basecamp Dorobo and you will truly have experienced Africa.

Experiential learning whereby guests gain an authentic and intimate responsible traveller experience through full day walking tours with naturalist Masai guides. Each evening guests enjoy sundowners by a camp-fire and bush dinners under star-studded skies.
