

Big time Safaris Camp is well positioned to enjoy this unique phenomenon. The rolling plains around the tented Camp are teeming with wildebeest, gazelles and zebras, during the migration months and the Camp is situated right in the center of their migration path.

Big Time Safari camp is also the ideal choice for those seeking a richer experience of Masai Mara that goes much beyond just game drives.

Accommodation

To experience a traditional luxury camp is a must on a Masai Mara safari. Unfenced and secluded in a thicket of Euclea and African Olives, the camp impinges so little on the natural inhabitants of this prolific reserve.

The camp comprises 27 moderate luxurious en-suite tents, taking in the wonderful surroundings of the Mara plain. Each tent has a private bathroom with toilet, and an outdoor shower with a view of the sky. The water is heated by generator and there is 24-hour electricity in all tents. www.crocodileracers.com
