

Mara Enkipai Safari Camp Masai Mara

The camp is beautifully set on the edge of the fast-flowing Mara River. Watch the hippos and elephants from the Reserve meet at their watering hole while you enjoy a quiet sundowner in their presence. Dine under the vast, African, star lit sky entertained by the sound of the river.

Accommodation

8 spacious traditional safari tents

The tents are set on the edge of the Mara River, boasting spectacular views. Each tent has been comfortably designed with furniture made by the local craftsmen using local material. Equipped with an en-suite bathroom, you can enjoy a traditional safari shower, as you later fall asleep to the music of the river and the whispers of nature. www.crocodileracers.com

Dining

Meals are cooked using freshly grown produce from Mara Enkipai's vegetable garden. Lunches and dinners within the camp are carefully prepared and served either in the lounge / dining area, by your tent or out in the Savannah. For those who'd prefer to lunch out in the wild, we'll prepare a picnic lunch for you to take with you.

Features

The entire camp is operated using Solar Power.
