

Losokwan Tented camp in Lemek Conservancy

Losokwan Camp is a classic tented camp situated in Aitong Plains in Lemek Conservancy, on the edge of the famous Maasai Mara game reserve.

Mara North/Lemek Conservancy is a key dispersal area for the great wildebeest migration and offers a very important habitat for a unique concentration of African wild animals, birds, rich vegetation and open savannah.

A visit to **Losokwan** is a chance to experience a small taste of paradise in the wilderness like no other place in Africa

Accommodation

Losokwan is comprised of six spacious double tents well equipped with luxurious beds, linen, bedside tables, luggage racks and rugs, which offer an intimate and relaxing atmosphere.

The rooms are comfortably furnished with en-suite bathrooms that contain flush toilets, and hot safari showers. There are canvas chairs on the veranda and hammocks slung between nearby trees. Triple tents are only available on request, but we do not recommend triple occupancy unless it is really a must!
