

Mara Springs Safari Camp is situated on the foot of Naunare Hills in Siana Wildlife Trust - adjacent to Masai Mara Game Reserve in a prime game viewing area with spectacular landscape alongside the forested banks of Sekenani River.

The camp is located only 3 kilometers from the main entrance of the Masai Mara Game Reserve and derives its name from the underground springs that supply flowing water to the site.

Mara Springs brings you very close to nature... Sleep under canvas in furnished mid-luxury tents with beds and bedding's or pitch your own tent on the well shaded campsite. One can also use the open camping grounds using their own tents or those hired from the Lodge.

The camping grounds are well kept and can be lit up at night by generator with prior arrangements. There are four camping grounds with all the basic facilities.
