

Little Naibor is a beautiful camp right in the heart of Kenya's Maasai Mara, perfectly placed to view the incredible spectacle of the migration. With just two suites, each with two bedrooms, the camp is perfect for exclusive use for families or friends.

Little Naibor brings the level of luxury camping in the Maasai Mara to a whole new level with an exclusive camp, situated close to its sister-camp Naibor but with high levels of personal service and attention to detail.

Much smaller than Naibor Camp but still located close by, Little Naibor is made up of two spacious suites which are uniquely designed to blend in effortlessly with the surrounding riverine forest. Each tent contains two double or twin rooms both en-suite with their own spacious bathrooms, inter-connected by a communal lounge and dining area. A dedicated team of staff caters to your every need, and are always on hand to look after you. www.crocodileracers.com

Both of these stunning tents have their own private bar and fire places set up strategically along the Talek River with complete privacy and spectacular views. Meals can be a convivial or private affair, and ingredients are fresh and delicious, originally prepared.

The highlight here is the spectacular game viewing which can be found in the Maasai Mara - home of the wildebeest migration, this is easily reached from the camp and can practically be viewed from your tent! Expect spectacular numbers of game and some mighty clashes with predators, and exciting river crossings.

With your own private guide and vehicle with your suite at Little Naibor - it is perfect for a family looking to have total flexibility on game drives. You can go for as long or short as you want and meals can be entirely flexible too.

Little Naibor can be booked and used as an exclusive private camp for up to eight people.

Accommodation

The rooms at Little Naibor are stunning, comprising two enormous airy tented suites decorated in muted shades of cream and ecru. The whole effect is one of soothing tranquility.
