

Governors Camp IL Moran for those who want that extra bit of luxury, we've kept Governors' IL Moran Camp small and intimate, with added touches that make this the top of the range safari. IL Moran is widely regarded as the premier camp in the Masai Mara. Hidden under ancient trees, deep in the forest, are just 10 tents lining the winding banks of the Mara River.

Governors Camp IL Moran located right in the heart of the Masai Mara Game Reserve, with the best game viewing right on the doorstep, the vast, luxurious tents feature super king-size beds fashioned from ancient fallen olive trees, and Victorian-style baths. During the day, meals are served on the banks of the Mara River under the giant evergreen trees, with dinners served by candlelight in the open dining tent or al fresco by the river. ww
