Mara Bush Camp chef will pamper you with exquisite culinary delights for all tastes. You will be surprised at the delicacies he can prepare in the middle of the wilderness. Enjoy your meals in a beautiful ambience surrounded by the sounds of the African nature and its inhabitants.

Mara Bush Camp luxury walk-in tents are equipped with large comfortable beds, mosquito nets, clothes rack, carpet and writing desk. The en-suite bathrooms have a flush toilet and hand washbasin. All tents have been placed far from each other to guarantee complete privacy and have a verandah with sun chairs.

There are cowbells fixed outside your tent if you require assistance or in case of an emergency. A watchman will come to your tent immediately.

Showers: Mara Bush Camp is a seasonal, eco-friendly camp with no permanent structures hence it can be brought down without any damage to the environment. 'Bucket' showers are offered in the tents.

The water supply comes from a nearby spring / water station in Talek / Sekenani village and is treated and completely safe. Please inform your room steward what time you would like to take your shower – the water gets heated up for your comfort, taking approximate. 20 minutes until its ready. The Manager will also ask you the previous evening for your preferred wakeup call and shower time.

Toilet: Water is a precious commodity in the Masai Mara and we kindly request you to use the flush toilets sparingly. Every flush uses 12 liters of water which is drawn by hand from the spring / river.

Washbasin: Each tent has a washing basin with cold water. The water may be used to wash hands and face but not for brushing your teeth. Complimentary mineral water is provided in each tent for this as well as shampoo, soaps and other accessories.
