

The **Mara Simba lodge** sits overlooking a dramatic bend on the bank of Talek a tributary of the Mara River gently blending in the surrounding wilderness. The emphasis is on exclusivity and comfort, the ambiance is Maasai, the décor incorporates ethnic design from the culture of the proud tribe.

At the **Mara Simba** special care is taken to conserve the environment it's the only environmental friendly lodge in Kenya it is the first to install a sewage treatment plant, which provides crystal clear water that is used for irrigation. [www.crocodileracers.com](http://www.crocodileracers.com)
