

Murera Springs Eco Lodge Meru Kenya has easy access to the Meru National Park which is one of the most promising tourist destinations in Eastern Africa. Meru National Park promises to touch the very essence of your soul just as it did with the early conservationists Joy and George Adamson.

Accommodation & Room Types

The lodge features 10 cabins furnished with a comfortable double bed and a single bed. The modern bathrooms are en-suite and consist of a shower and a toilet. All the cabins run on solar energy and charging facilities are available in the reception. Each cabin also has a furnished veranda where guests can relax and enjoy the fresh air. www.crocodileracers.com

En-suite Cabin x 10

Each of these cabins are comfortably furnished with a double and single bed. The en-suite bathroom consists of a shower and a toilet, and each cabin also has a private veranda where guests can relax after a long day. The cabins are lit with solar energy and charging facilities are available at reception.

Dining & Staff

The dining area, bar and swimming pool for the guests are the centre of life for those times when you want to just relax under the majestic canopy of the trees to be found at Murera Springs Eco lodge. www.crocodileracers.com

All meals are served in the dining area and guests will dine on a varied menu from haute cuisine to vegetarian and nouvelle-African, all made with vegetables and fruits grown in the area around the lodge.
