

Leopard Rock Lodge is situated amidst one of the last remaining Parks in Kenya devoted to wilderness, the Meru National Park. This magnificent lodge offers all together the real wilderness and a luxurious style of life.

Leopard Rock Lodge is built on a 3.5 Kilometer river frontage (Murera), in Meru National Park, along the Equator and about 310 kilometers from Nairobi. The location is North East of Mt. Kenya. Leopard Rock Lodge is a 5 hour journey from Nairobi by road and 1 hour by air.

Leopard Rock Lodge Accommodation

Leopard Rock Lodge Meru accommodation consists of 15 spacious luxury cottages with cool stone floors, colorful Persian rugs, polished teak furniture and four- post Lamu-style beds. The high roof ensures that you feel cool during the heat of the day.

Your morning tea or coffee is served on your private veranda from where you can overlook the river or the surrounding landscape.

The ultimate special treat at **Leopard Rock Lodge** has to be the Jacuzzi room, where you also can have relaxing massages. The Oasis swimming pool has a fully stocked island bar located at the centre of the pool from where you can watch crocodiles basking at the river banks.

The giant reptiles can also be viewed through a glass partition beneath the pool as you swim.
