Apartments

Accommodation is available in single, double and triple self contained luxury rooms. We strive to have a fair charge both during the high and the low seasons. We also take note of our regular visitors to grant unthinkable discounts based on the regularity they book accommodation with us.www.crocodileracers.com

We have equipped all our apartments with WIFI internet access. We would like our guests to still be connected to their jobs and families even when far away.

Apart from free WIFI, we also have a modern gymnasium available for all our in-house guests without an additional charge.

Conference Facilities.

You can select from any of our three modern Conference halls, ideal for your business or company meetings.

Whatever type of event you are planning, you can be sure that we will provide everything you need to make it an unrivaled success.

Merry, peaceful, enhancing, fulfilling....are among the words that spectacularly describe the mood in our conference halls.

Notebooks, pens, water and other enhancements are provided to make your meetings as enhancing as ever.

Now you can also enjoy WIFI internet in our conference halls to, and if you book accommodation with us during your business meetings, we have also set WIFI access in all our apartments so you are sure to be connected with your business, friends and family when away if on vacation...
