

The Planet Apartments Mombasa Kenya is located within a 10-15 minute drive to larger resorts at both Nyali and Bamburi beaches and benefit from having a number of quality international cuisine restaurants, bars and shops, as well as outdoor activities for all ages within a short walk or taxi ride. It is also centrally located for easy access to transport facilities. We also offer swimming pool facilities.

We provide a full room-service menu and there are a number of restaurants and cafés of different cuisines within the building itself who can also provide room service as well as shops, a pharmacy, Internet cafés and bars for your convenience. The Planet Apartments consists of fully furnished and self-catering one and two-bedroom apartments, each set over two floors. The lower floor of each apartment comprises an open-plan kitchenette with a breakfast bar, a living area and a balcony. www.crocodileracers.com

In the apartment, the lower floor comprises an open-plan kitchenette with breakfast bar, lounge and dining with outdoor balcony.

The upper mezzanine floor contains the bedrooms with en-suite washrooms. The apartments are tastefully furnished and decorated with local African artwork, as well as being air-conditioned and having cable TV and free wifi available. Swimming pool facilities are also provided for guests at an adjacent location.

One bedroomed apartments sleep 1-2 persons. Two bedroomed apartments can sleep up to 6.
