

Kenya Bay Beach Hotel in Mombasa, Kenya has one of the largest beach frontages on world famous sandy Bamburi beach! Kenya Bay Beach Hotel enjoys a very beautiful setting among Frangipani and Bougainvillea with the most breathtaking views of the Indian Ocean.

(Formerly known as Kenya Beach hotel on Bamburi Beach, Mombassa, Kenya) **Kenya Bay Beach Hotel** is built in a subtle blend of African and modern architecture and offers a marvelous ambience for a truly wonderful and relaxing beach vacation.

The **Kenya Bay Beach Hotel** is located on the northern coast of Mombasa, 9 miles away from the city. The airport is 15 miles away. It takes about 30 minutes by car to get there. Kenya Bay Beach Hotel is conveniently located in relation to neighboring shops (for example, near the Barclay's bank), but also close to Mombasa.

For the most curious, a ride in the old city of Mombasa will not take much time but remember to visit Fort Jesus. It was built in the 17th century by the Portuguese in order to protect the harbor entrance. The architect is an Italian called Joa Batista Cairato.
