

Amani house is a beautiful home on the beach, with a Relaxing veranda on the beach with the ocean view. Enjoy a daily show of low and high tide, a beautiful red sunset and sunrise. It also comes with a large swimming pool.

Located only 60 km south of Mombasa, Amani House has a wonderful position on the outskirts of the village locals Msambweni. Just 150 meters from the fine white sand beach that the south coast is famous for in Kenya.

Accommodation & Room Types

This is normally a family home so its only the ground floor of the house that is available for a holiday let and comprises a double bedroom and a twin/double bedroom, both air-conditioned. Both bedrooms have access to the same shower room.

The house is comfortably furnished including two inviting sofas in the inside living area (not air-conditioned), with a dining table off to one side which joins the spacious kitchen.

There is an additional guest room available close to the house – this can take three teenagers comfortably although the ideal would be for two. www.crocodileracers.com

The house sleeps a maximum of 8 people and includes a cook. (No small Children - large dogs on property)

Dining & Staff

The living room, dining room and kitchen all open out onto the outer terrace where there is a further dining table, lush gardens, and a large swimming pool. At one end of the pool you can relax on a swing chair, or sip your drink under the makuti roofed pagoda.

Fully staffed including a cook and house girl who will look after all laundry needs.
