

Olerai Beach House Tiwi Beach Mombasa is an idyllic family owned beach front house situated on a coral bed, high above the Indian Ocean, with panoramic ocean views and a cool sea breeze. Tiwi Beach is a beautiful and undisturbed beach with endless stretches of white sand; a perfect private holiday destination to relax and unwind.

Olerai Beach House Mombasa has a spacious dining area and veranda which opens out onto the huge green lawn which stretches down to the palm lined beach. The house also overlooks a stunning swimming pool set around interlocking natural coral caves, which is probably one of the best features of this house.

Olerai Beach House Mombasa has 4 large double rooms, each with their own bathroom and shower. The rooms are all tastefully decorated with views over the Indian Ocean, just 50 meters beyond. There is further space for children in the open planned upstairs area of the house, with another 4 beds, sharing a bathroom, plus a small cottage set behind the house if extra space is needed.

Olerai Beach House Mombasa is fully staffed with an excellent chef/manager, housekeeper, gardener & pool attendant plus a night-watchman and security guard. We also provide a private driver with vehicle.

Bookings can be made on a full board basis (including drinks) or a self catering basis (chef still provided). Fresh seafood is brought to the house by local fisherman, and a great selection of seasonal coastal fruit and vegetables are also brought to your door!
