

Villa Manjano Diani Beach Kenya is located only 250 metres from the white sandy Diani Beach on the Indian Ocean. Enjoy your holiday at this exclusive private holiday residence. This is an African-style villa with high Makuti roofing. Most of the furniture is locally made by skilled craftsmen and the many artefacts create a true African atmosphere. The garden is meticulously maintained and includes many coconut palm trees, creating a lovely cooling shade in the sunny afternoons.

Accommodation & Room Types

The large compound is private and secure, gated from the main road. It consists of the main villa and the garden villa connected by a Swahili lounge and bar area, forming an inviting lush open area with a sizeable pool in the centre. www.crocodileracers.com

The Diani area is ideal for parties or groups who want to have relaxing beach holidays combined with a true African safari adventure in the nearby National Parks. In Diani, you will also find well-stocked supermarkets, shopping centres and many local handcraft shops, as well as a variety of restaurants.
