

Tropical Garden Diani Beach Kenya is a private holiday resort under European management. Away from the busy tourist area you'll experience the holiday you dreamed of. Relax on the porch of your free standing house surrounded by a tropical garden, or cool down at the swimming pool. We provide a well stocked bar and restaurant. You walk on winding paths through the unique african nature of our tropical oasis or on the white sandy beach, just 3 minutes away. Directly behind our resort is the beautiful picture-book beach of Diani Beach, which is wonderful to get on a few steps on foot. Soft white sand and bright blue sea.

We have 10 different rooms, all equipped with private bathroom, fan and double beds. Two of ten rooms each have their own, and three have a common terrace with tables and chairs. www.rocodileracers.com

All the rooms come with it's own private bathroom, fan, double beds and mosquito net. Three of the ten rooms have a communal terrace with tables and chairs.

Enjoy this Tropical Garden with is unique in this area with it's open-air restaurant, the pool area as well as different wellness offers.

Our Tropical Garden Oasis

You love nature, plants are your hobbies? Explore the animal and plant life in our oasis. If you are not a friend of plants yet, now the best opportunity has come, discover your heart for nature, in particular for Africa's nature.
