

**Cottage Old Mombasa** Diani South Coast is located 10 minutes walk from Galu Beach in Diani, built in African style with a Makuti roof (palm tree leaves) with all European luxury. Therefore it does not get so unbearably hot. The secluded Galu beach guarantees privacy and undisturbed sunbathing.

### **Accommodation & Room Types**

Downstairs there are two separate double bedrooms, a bathroom with toilet and a kitchen. Upstairs is a very big open space with sofas. All the beds are equipped with mosquito nets.

The villa is on a compound with another villa and 1 other cottage (Villa Peppercorn and Cottage Lamu) and is surrounded by a very beautiful and large tropical garden with several palm trees and other bushes. The swimming pool is more or less in the middle of the garden, 12 m long and 6 m broad with a very agreeable temperature at around 30 degrees and is shared with the other 2 houses.[www.crocodileracers.com](http://www.crocodileracers.com)
