

Firimbi cottage is a lovely two bedroom cottage set in the coastal indigenous bush whereby its only 120 metres from the beach with a private access path.

Firimbi has two beautifully furnished bedrooms. Both rooms have air conditioners. It comes with its own outside entertainment area with a stainless steel barbeque grill. There is also a fully equipped kitchen to make scrumptious coastal cuisine.

There are two hand made Ecuadorian hammocks tied to the casuarina poles which are perfect for lounging in during the hot day. There is a little concrete watering bowl tucked away close to the bush which attracts the indigenous coastal animals and watching them queue up to quench their thirst is a real treat. www.crocodileracers.com

Accommodation & Room Types

Firimbi is a lovely two bedroom cottage made out of coral, wood and sandstone.

The interiors are furnished with Swahili, Rajhastani and Southern African furniture and furnishings. Each bedroom has a beautiful hand-carved four poster bed, hand carved mirror, Lamu Chair, console and an A/C unit.

The bathroom has Brass taps and shower heads with handmade clay sinks.
