

Karina Guest House Nairobi Kenya is situated within three acres of lush tropical gardens and is located in the leafy suburbs of Ridgeways Estate; 15 minutes drive from the city centre. It has hosted thousands of missionaries, expatriates and business executives from many parts of the world, mainly from United States of America and Australia. We have also hosted many guests attending local conferences; the United Nations among many other international organizations are our major clients. We at Karina's have had the privilege of hosting the UN Global Youth Retreat. The cultural exchange and experiences have been truly enriching. The continued number of return guests is a testimony of our dedication of excellence in service.
