

Silole Cottage Nairobi Kenya is in the middle of the Silole Sanctuary, with good security, hot water & a solar system backed up by a generator. Silole Cottage is all you need for a cheap weekend away from the city routine. There are very varied walks within the Sanctuary: looking for pythons along the Embakasi or rock-climbing up the cliffs of the Kiserian gorge & Masai guides are available if you wish. The Masai Gate of the park is just 5 minutes drive away, ideal for early morning & late evening game-drives.

Accommodation & Room Types

Silole Cottage is an idyllic two bedroom thatched cottage with wonderful views over the rolling plains of the Nairobi National Park. The cottage has loft spaces ideal for children above the two en-suite bedrooms and a cosy verandah overlooking the park. www.crocodileracers.com

Dining & Staff

Masai Lodge, Rolf's Place & Osoita Lodge are all within easy driving distance of Silole Cottage if you wish to eat out.

Silole Cottage has a small but well-equipped kitchen. You should bring your own food & alcohol as required.
