

Detached Villa in Nairobi City Kenya was built in 2006 a development of twelve properties with 24hr security guards. There are six large bedrooms, five with en-suite and two additional bathrooms. A full time housekeeper looks after our guests and lives in separate accommodation on site. Three separate living areas allow a large group or family to enjoy some private space. Within a few paces from the villa you will can enjoy use of a great pool and gym, all within the secure compound. The villa boasts large, fenced gardens with a great terrace for dining or simply relaxing.
