**Karura House** is located in the hilltops of the Karura Forest ,with sprawling views. Spend dusk watching the African sun set over the Karura Forest. It is set amidst blooming gardens and is located only five minutes' drive from the UN headquarters and numerous embassies.

You may arrive at Karura House as a guest, but you will leave as so much more. We offer a personalized stay with the promise of genuine African hospitality. Our comfortable double rooms all feature en-suite bathrooms and unlimited wireless Internet access, while breakfast is tailored to your taste, with the option of a full English breakfast or continental breakfast.www.crocodileracers.com

Guests can also relax in our gardens or make use of our sparking swimming pool. Other services we can offer include laundry services, airport transfers and taxi arrangements. At Karura House, no request is too much to ask, after all our home is your home.
