

Longview Suites is a beautiful boutique hotel located along Magadi Road in the charming area of Karen, Nairobi Kenya. This modern property overlooks the Nairobi National Park and guarantees a personalized service to both business travelers and holidaymakers. Longview features a total of 32 suites, each with a spacious living space and an en-suite bedroom. Guests have a choice between our Standard Luxury Suites and our Luxury Self-catering Suites. All the suites are equipped with flat screen TVs, fully stocked minibars, electronic safes, Internet access, hair dryers, tea and coffee-making facilities and direct-dial telephones. In addition to the standard amenities, the self-catering suites have private kitchenettes.

Our restaurant serves modern international cuisine with a focus on fresh locally grown ingredients. The extensive menu features grilled meats and vegetables as well as burgers and pastas. Our team of experienced chefs will be delighted to cater to any special dietary requirements. www.crocodileracers.com

The bar and coffee shop offers a wide range of wines, beers, cocktails, juices, teas and coffees, in addition to a selection of snacks throughout the day.

Our state-of-the-art gym is designed with the latest strength and cardio equipment to ensure your fitness needs are not neglected during your stay. Our trained gym staff is on-site to ensure your safety and that you make the most of your workout. The steam bath will provide an opportunity to relax after an intense workout.
