

Fairmont The Norfolk Hotel is a luxurious 5-star hotel set in a prime location in the centre of Nairobi. It has played a leading role in Kenya's colorful history, and continues to be the best-known luxury hotel in Nairobi. The town and later the modern city of Nairobi grew up around Fairmont The Norfolk hotel, which still has its own private tropical gardens. The hotel is still the traditional starting point for safaris and the Lord Delamere Terrace is modern Nairobi's popular meeting place where drinks and light meals are served continuously from morning till late evening.

Fairmont The Norfolk was expanded in 1999 and subsequently renovated in time for its centennial celebrations in 2004. The Delamere & Acacia Wing were refurbished in 2012 to give the rooms a modern touch, whilst preserving their charm and unique personality. The Nairobi hotel now offers accommodations in 165 guest rooms and suites, has eight conference rooms, the largest seating 175 delegates, a heated outdoor swimming pool, health club with gym, sauna and steam room and gift shops. www.crocodileracers.com
