

Hemingways Boutique Hotel Nairobi Kenya is located in Karen with magnificent views of the Ngong Hills. Beautiful in its symmetry and flooded with natural light, this plantation-style property is airy and spacious. The hotel is a member of the renowned Small Luxury Hotels of the World designed for utter comfort. The debut of this 45-room boutique hotel will elevate the standard of luxury service for travellers in the region. Its 80 squared metre bedrooms each have a private balcony overlooking the iconic silhouette of the Ngong Hills.

Hallmark Hemingways hospitality, borne out of decades of expertise in welcoming guests to Kenya, makes you the focus of our every design. This new hotel, only a 40-minute drive away from Nairobi's international airport, completes our definitive Collection which encompasses the beach and the bush.

Our guest-attention is personal and sincere, offering a seamless service from the moment you touchdown in Kenya to the final adieu of your departure. We're here to enhance your experience and surprise you with the detailed care we take of you during your stay. Your dedicated butler will know that you prefer Earl Grey to Assam with your scones and Cornish clotted cream, and he'll remember which trousers you like pressed flat and which ones need a central crease.

So while you're reposing in the spa or discussing the delicacies of the a la carte menu with our Michelin-starred chef in the private dining room, back in your suite your butler will have dimmed the lights, adjusted your personalised pillows, set out your nightcap and arranged the morning's outing to the game park down to the last detail.www.crocodileracers.com
