Parklands Sports Club Nairobi Kenya is a "Home away from Home" and could not be complete without making provision for accommodation facilities, the Club is a private members club and was founded in 1906 in Parklands area, Nairobi by a group of eleven white settlers. The founders wanted to create a place they could meet, relax and play games and sports while patronizing.

The Club has a rich history of sporting excellence in Lawn Tennis, Squash, to mention but a few. All these Sports have attracted membership participation and high level of tournaments. The Club has always kept in mind, the less disadvantaged members of the society and has for years touched many needy hearts. Parklands Sports Club being one of the top and pioneer Clubs of Kenya has achieved much recognition by providing venues and other sporting facilities for training and championship for both locally and internationally. The swimming pool is open to both members and their guests to sit in the surrounding and enjoy their meals.
