

The Central Park Hote & Conference Centre is a 3 star hotel located in bustling downtown Nairobi, along Sheikh Karume Road between Ronald Ngala Street and Luthuli Avenue. At first glance you'll notice that the Hotel is aptly named - The Grand Central Park Hotel. It's imposing architecture lets you know that you're walking into a hotel that prides itself in great cleanliness and superior customer care.

Once inside you will be impressed by how the Central Park Hotel is elegantly furnished and beautifully decorated. It's location and proximity to anything you may need in the city means convenience is something other hotels only wish for. www.crocodileracers.com

This indeed is an oasis in the hub of this fast paced city, where you can enjoy perfect health of body and tranquility of the mind.

Accommodation:

The Central Park Hotel boasts 85 spacious rooms all fitted with sensors that use electronic cards to open and close the doors ensuring all our guests of maximum security. CCTV cameras are also installed all over the Hotel.

The rooms are single, double, triple and executive suites, all ensuite, fully serviced and furnished to reflect modern elegance and warmth the of traditional hospitality.

Rooms Have:

- 24 hours room service
- Local and cable TV
- Fully stocked mini-fridge
- Wireless internet access
- Telephone
- All ensuite
- Fully serviced rooms
- Electronic sensor doors

Health Club:

Our Health Club, which has a fully equipped and modern Gymn, Sauna and Steam Bath for gents and a massage and beauty parlour for ladies will leave you feeling refreshed.

Our Health Club personel also conduct daily aerobics classes.

Restaurant:

At the Central Park Hotel, your every taste is catered for with sumptuous local and international cuisine prepared by our chefs. Our fully stocked bar with friendly prices and giant screens for the sports lovers is also a favourite spot to relax over a drink.

Conferences & Meeting Facilities:

The hotel has modern conference facilities for seminars and workshops. The facilities consist of five galleries of varying sizes depending on the number of conference participants. They are equipped with overhead projectors, LCD screens, flip charts and stationeries.

Parking for over 30 cars is also available and the central location of the hotel in Nairobi's city centre makes it ideal for hosting conferences, workshops, meetings and seminars.

Central Park Hotel Lounge:

Our Lounge is a special room where guests can relax and enjoy the company of freinds or business associates. It is simply and comfortably furnished with a TV screen connected to cable and local TV stations.

The Lounge is mostly used as a waiting room for VIP visitors to the hotel or hotel guests. It can also hold small private parties or functions for our guests to entertain their visitors, friends or business associates rather than having them visit them in their rooms. Light snacks and drinks are also served in the Hotel's Lounge.

Central Park Hotel Business Centre:

Our Business centre mostly complements our Conferences and Meetings facilities by providing participants with secretarial services, internet, printing, telephone, fax and copying services..

The business centre is also used by our business travellers to access their emails and internet, print, copy, fax documents and get secretarial services from the Hotel as well.
