

Sweetwaters Tented Camp is set in a 24000 acre wildlife sanctuary. The luxury Sweetwaters Tented Camp is a unique property and a favorite with intrepid travelers looking for a tented camp experience in a well cared for animal sanctuary. Abounding with wildlife, and unfettered by the more inflexible structures of the Kenyan National Parks and designed to offer a charming mix of under canvas ambiance and un compromised luxury, it has long been the preferred retreat of wilderness and safari goers alike.

Located in one of only four private game reserves in Kenya, **Sweetwaters Tented Camp** excels in the provision of privileged seclusion and private game viewing. Thanks to its private status it also allows such pleasures as the Sweetwaters Chimpanzee Sanctuary (the only place in Kenya to see these highly endangered animals), night game drives, guided bush walks and both horse or camel riding across its plains.

Accommodation is provided in 39 luxuriously appointed tents (17 doubles, 14 twins and 8 triples). **Sweetwaters Tented Camp** tents have a thatched roof, an en suite bathroom and its own verandah with views over the water hole. Full room service is provided.

Sweetwaters Tented Camp prides itself on the quality of its cuisine offering a 5 - course "table d'hote" dining experience every night, and a selection of African, Asian, and international dishes. Built in the 1970's, the Camp's main building was originally the residence of the ranch manager. Ol Pejeta Conservancy was once the private domain of famed multi-millionaire, Adnan Khashoggi.
